Display Banners

Whether you are preparing for an upcoming event, promoting a sale, or adding excitement to your tradeshow booth, retractable banners are a great way to display your message.

Economy Banner Stand

Get big impact and keep your set up time low with retractable banner stands. Silver aluminum base features a classic double-footed design that offers reliability while keeping your display stable. Rated for at least 100 retractions.

Process: Digital Full Color

Banner Material: 8 mil. plastic polypropylene banner - Matte finish provides vibrant color and quality at an economy price. Water and tear resistant.

Retractor Stand: Silver aluminum retractor with shock-corded poles. Poles fold in to store in the base. Stand has double feet design at the bottom on which it stands upright. Black soft-sided carrying case included.

Production Time: 5 working days

Set-up Charge: FREE

Standard Size
W" x H"

33½" x 80"

Standard Banner Stand

These stylish retractors feature a unique, upscale look, with footless design. Durable, lightweight construction. Silver aluminum base includes chrome end caps and creates great stability with its low center of gravity. Rated for at least 200 retractions.

Process: Digital Full Color

Banner Material: 10 mil. blockout display film - Features a light-blocking opaque layer that prevents show-through so viewers see clean, crisp images. The three-layer construction with polyester and polypropylene produces durable banners with excellent lay-flat properties.

Retractor Stand: Silver aluminum base with chrome end caps features a 4 piece pole (3 sections shock-corded with 1 telescoping flip lever extension). Black soft-sided carrying case included.

Production Time: 5 working days

Set-up Charge: FREE

Standard Size
W" x H"

36" x 78½"

Silver Premium Banner Stand

Woodgrain Premium Plus Banner Stand

Champagne Premium Plus Banner Stand

Premium & Premium Plus Banner Stands

These retractable stands offer a professional look with the ability to swap out banners for easy graphic changes. The sleek silver aluminum base includes robust aluminum magnetic end caps. Rated for at least 300 retractions.

Process: Digital Full Color

Banner Material: 11 mil. opaque no-curl fabric – 100% polyester gives it the look of real canvas. High quality lay-flat feature provides exceptional value and versatility. Banner attaches to hardware with VELCRO® allowing graphic to be easily changeable.

Retractor Stand: Silver (Premium), Champagne or Woodgrain (Premium Plus) aluminum retractor with robust aluminum magnetic end caps feature a shock corded twist-lock telescoping pole that offers adjustable height and easy assembly. Adjustable feet ensures banner stands straight and upright. Durable carrying case included.
