2019

What's New in 2019?

- Clear acrylic stock brings a fresh, modern look to full color name badges, desk & wall signs, wall art, table tents, and pedestal signs.
- Laser engraving brings the classic look of engraved logos and monograms to notebooks and portfolios, making it a perfect way to personalize upscale corporate or personal gifts.
- Add a creative twist with engraved wooden name badges. Engraving creates a durable and readable image, while the wood stock adds a unique natural look.
- The MINE® stamp is a textile stamp designed to mark any fabric surface with any custom message. This stamp is perfect for marking children's jackets and backpacks, marking clothing tags when traveling, or marking fabric surfaces in almost any setting.
- Comet and Pullman stock band stamps bring an industrial grade body together with a long-lasting band, making these stamps a durable option for daily and repeated use.

GENERAL ORDERING INFORMATION

Art Charges

Minor artwork adjustments can be made with no additional fees applied. This would include items such as slight modifications to size and/or color, name changes, and artwork cleanup (i.e. removing spots from scanned artwork). These alterations should take no longer than 10-15 minutes to complete.

Need a little extra help with your artwork? Additional design/layout/color assistance is available for an hourly rate of \$75.00 (V). This would include items such as color matching or color separation, logo redraw/manipulation or any additional layout design work needed on artwork. Please call for a quote, and make sure to specify what type of design assistance will be needed.

Changes or Cancellations

Changes to orders in progress may require additional charges and/or time.

Cancellations for orders in progress will require payment for the order.

Color Matching

Digital full color and sublimation full color processes cannot guarantee a PMS match.

Engraving

We use laser engraving for our engraving processes. There is no set up charge for engraved items.

Manual Handling Fee

Manual orders may incur additional handling charges. Contact customer service for additional information.

Over/Underruns

There is no charge for exact quantity requests. You will only be billed for the quantity on your purchase order.

Production Times

Production times are stated for each item on their catalog page. Quantities over the last column pricing may require additional production time. Customer Service will contact you within one business day to discuss production time and delivery options. Production times do not go into effect until all order details have been received, including artwork, all order information, and proof approval.

Proofs

- PDF Proof Email: Add 2 working days to the item production when requesting a PDF proof. First proof is FREE of charge. Additional proofs are \$15.00 (R). Production time begins after receipt of complete order including proof approval.
- Production Sample: physical product proofs are available using customer artwork. These are offered at 10% off the quantity 1 wholesale price for standard catalog items and/or 10% off quantity 1 quoted price for custom products. Standard production times will apply. Please reach out to customer service for assistance.

- A complimentary proof may be required for certain orders to ensure satisfaction. Production will begin upon approval of the proof.

Quantity Price Breaks

Prices listed at various quantity breaks assumes the same standard logo or design on the items and includes variable data personalization such as a name, phone number, or address changes.

Rush Orders

Rush orders will be accepted as production schedule allows and must be pre-approved. Rush charges and production time are based on the complexity of the order and color match requirements. Minimum daily charge is \$25.00 (R) or 10% of order value, whichever is greater.

Samples

Marketing samples on select catalog products are FREE of charge; standard shipping is NO CHARGE.

Third Party Shipping

No additional charges apply if you provide us with a valid shipper number.

ARTWORK—CREATING AND SAVING FILES

Full Color Process

Sublimated full color process items require RGB artwork unless noted on the specific page. All other digital full color products are full color CMYK process. Every element of the file must be colored with process CMYK colors. If RGB or other non-CMYK colors are used in your files the necessary conversions to CMYK will change the appearance of the colors when printed, sometimes dramatically. Create full color process item files with Adobe® Acrobat PDF files. Create one item sized correctly per document. Artwork must be at least 300 dpi. For highest quality output, 600 dpi is recommended. Requested file formats should be Tiff, PDF or Illustrator files with the fonts embedded in the file. Do not include any punctuation in the PDF file name and please keep it short as possible.

Engraving

Include typestyle, upper case, lower case or both along with the position of the engraving on the item on your order. If no logo will be utilized, providing artwork is not necessary. Artwork must be at least 300 dpi. For highest quality output, 600 dpi is recommended. Requested file formats should be Tiff, PDF or Illustrator Files with the fonts embedded in the file.
