

Decals

Create wall art, display company logos, advertise business hours, and more with personalized decals.

These unique printed pieces can be applied to almost any flat surface—including some outdoor surfaces—to create a personalized or branded look.

Full Color Clear Window Decal

Clear material allows natural light to flow through a solid image without the need for visible perforations. With a low-tac repositionable adhesive, these decals can be removed and reapplied where they are needed.

Process: Digital Full Color

Material: 3.5 mil. vinyl

Attachments: Low-tac repositionable adhesive on back. Peelable liner for easy application.

Full Color Opaque Window Decal

Featuring micro-perforations that allow for easy, smooth application without worrying about air bubbles, these repositionable decals can be removed and reapplied where they are needed. Material has white surface allowing for bright, high quality image.

Process: Digital Full Color

Material: 5 mil. vinyl

Attachments: Low-tac repositionable adhesive on back. Peelable liner for easy application.

Full Color Perforated Interior Window Film

Whether interior or exterior, perforated decals display your message without blocking visibility.

Process: Digital Full Color

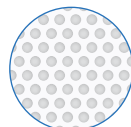

Material:

6 mil. – 50/50 perforated vinyl film

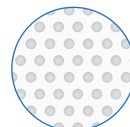

7.5 mil. – 60/40 perforated PVC film

6 mil. – 70/30 perforated vinyl film

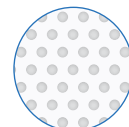

Attachments: No additional adhesives or tapes required. 60/40 to be applied on the inside of a window to be readable from the outside. 50/50 and 70/30 applied to the outside of a window to be readable from the outside.
