- Indoor/Outdoor use
- Minimum temperature for application is 40 degrees Fahrenheit
- Anticipated life span of product is 1 year for outdoor applications. Adhesive will remove cleanly for up to six months after application.

**Production Time:** 2 working days

*\*Quantities of 50 or more and custom sizes may require additional production time.*

**Set-up Charges:** FREE

**Art Charges:** Minor artwork adjustments can be made with no additional fees applied. This would include items such as slight modification to size and/or color, name/text changes, and artwork clean up (i.e. removing spots from scanned artwork). These alterations should take no longer than 10-15 minutes to complete. Additional design/layout/color assistance is available for an hourly rate. This would include items such as color matching or color separation, logo redraw/manipulation or any additional layout design work needed on artwork.
