MINE[®] Stamp

The MINE[®] stamp is a textile stamp designed to mark any fabric surface with any custom message. This stamp is perfect for marking clothing in assisted living facilities, marking clothing tags when traveling, or marking fabric surfaces in almost any setting.

SPACES FOR MINE® STAMP

- **Healthcare** – Residents of assisted living facilities and nursing homes can label their clothes to make sure they are returned safely.
- **Traveling & More** – Frequent travelers or those who send their clothes out to be laundered will want to label their garments to make sure they get returned.
- **Industrial** – Uniforms and soft goods can now be easily labeled and identified.
- **Kids & Family** – Day care, camp, and college are all places where labeling clothes is essential to make sure they don't go back to the wrong home!

PRODUCT DETAIL AND OPTIONS

The durable, lightweight MINE® stamp is perfect for marking fabric, leather, and wood materials. Stamping dark fabrics? No problem! Each stamp comes with a roll of iron-on transfer ribbon. Each stamp can be customized with name and logo/graphic and comes to you assembled for a finished product. You can even customize the ImageCard™ with your custom impression! The clear, anti-slip base keeps the stamp securely positioned while stamping and gives you a clear view for proper positioning.

- Rubber pad is laser engraved to create impression and is assembled to the stamp mount for a finished product
- Direct application to products; for dark fabrics, the white iron-on transfer ribbon can be used
- Rapid application, rapid dry
- Wash resistant; specially formulated indelible ink remains visible through countless washings
- Create your own ImageCard™ at www.my2000plus.com
- Anti-slip base keeps the stamp sturdy while stamping
