

A-Frame Signs

A simple, affordable and durable way to share your message

Freestanding A-frame signage is an ideal way to announce that you are open for business or guide people to – and through – testing sites. These signs can be used for months outdoors and relocated as needed. Better still, this portable sign option just got much more affordable.

- Ships flat, easy to assemble.
- Available in durable plastic corrugate suitable for outdoor use or environmentally friendly paper corrugate for indoor use.
- Add sandbag or cinder block ballasts for outdoor use.
- Standard size measures 24" wide x 36" tall when assembled. Custom sizes are available.
